In support thereof, ZC respectfully represents as follows:

I. PRELIMINARY STATEMENT

1. ZC, as financial advisor to the Committee, has worked diligently with the Committee to advise them on a host of critical issues attendant to these Title III cases. Among other things, ZC has been integrally involved in:

- (a) Reviewing and analyzing the disclosure statement and plan of adjustment for HTA;
- (b) Analyzing the Debtors’ liquidity positions;
- (c) Discussions with advisors to the Oversight Board and AAFAF;
- (d) Analyzing the nature and extent of the Debtors’ unsecured claims pools;
- (e) Assisting Paul Hastings in analysis integral to the Committee’s litigation strategy; and
- (f) Analyzing, evaluating and monitoring PREPA’s transformation, general unsecured claims, PREPA’s certified fiscal plan as well as PREPA’s general reporting package, including updates on liquidity, accounts receivable, accounts payable, recovery efforts and electricity generation.

³ References to PROMESA are references to 48 U.S.C. §§ 2101 *et. seq.*

2. ZC has performed these services in an economic, effective, and efficient manner commensurate with the complexity and importance of the issues involved. For example, the work performed by ZC was carefully assigned to appropriate professionals or paraprofessionals according to the experience and level of expertise required for each particular task.⁴

3. In sum, ZC respectfully submits that the services for which it seeks compensation in this Application were necessary for and beneficial to the Committee, the Debtors, and their stakeholders and were rendered to protect, preserve, and maximize the value for unsecured creditors during the pendency of these title III cases. The results obtained to date have benefited not only the Committee but also the Debtors and their creditors. Accordingly, in light of the nature and complexity of these title III cases, ZC's charges for professional services performed and expenses incurred are reasonable under applicable standards. For all these reasons, ZC respectfully requests that the Court grant the Application and allow interim compensation for professional services performed and reimbursement for expenses as requested.

4. In accordance with the U.S. Trustee Guidelines, at the end of this Application are the following Exhibits:

- Exhibit A contains a summary of ZC's timekeepers included in this Application.
- Exhibit B contains a summary of the compensation requested by project category and matter number.
- Exhibit C contains detailed time descriptions by matter category.⁵

⁴ As noted, ZC has agreed to reduce its total fees by an amount equal to 20% of the overall case fees (with the precise fees to be waived to attain the 20% reduction to be designated by ZC (in its sole discretion) in connection with the final fee application process). For the avoidance of doubt, ZC seeks allowance of \$170,417.00 (i.e., 100% of fees for services rendered during the Application Period), but payment of only \$136,333.60, reflecting 80% of the fees for services rendered, plus 100% of the expenses allowed pursuant to the Interim Compensation Order in the amount of \$0.00 during the Application Period (to the extent such amounts have not been paid before the hearing scheduled on this Application).

- Exhibit D contains a summary of expenses incurred during the Application Period.
- Exhibit E contains a detailed listing of expenses incurred during the Application Period.

II. BACKGROUND

5. On May 3, 2017, the Financial Oversight and Management Board for Puerto Rico (“Oversight Board”) commenced a Title III case for the Commonwealth of Puerto Rico by filing a voluntary petition for relief pursuant to section 304 (a) of PROMESA (the “Commonwealth Title III Case”). Thereafter, the Oversight Board commenced a Title III case for each of COFINA, the Employees Retirement System of the Government of the Commonwealth of Puerto Rico (“ERS Title III Case”), the Puerto Rico Highways and Transportation Authority (“HTA Title III Case”), the Puerto Rico Electric Power Authority (“PREPA Title III Case”), and PBA (and together with the Commonwealth Title III Case, the “Title III Cases”).⁶ By orders dated June 29, 2017 [Docket No. 537] and October 6, 2017 [Docket No. 1417], the Court approved the joint administration of the Title III Cases.

6. On June 15, 2017, the Office of the United States Trustee for the District of Puerto Rico (the “U.S. Trustee”) filed a *Notice Appointing Creditors Committee for Unsecured Creditors* [Docket No. 338]. On June 27, 2017, the Committee selected Zolfo Cooper as financial advisor to the Committee.

7. On July 11, 2017, the Committee filed the Application of The Official Committee of Unsecured Creditors of Commonwealth of Puerto Rico for Entry of Order Authorizing Employment and Retention of Zolfo Cooper, LLC as Financial Advisor, Effective as of June 27, 2017 [Docket No. 615] (the “Retention Application”).

⁶ Unless otherwise indicated, references to docket numbers shall be to the docket of the Commonwealth Title III Case.

8. On August 10, 2017, the Court entered the Order Authorizing Official Committee of Unsecured Creditors of Commonwealth of Puerto Rico to Employ and Retain Zolfo Cooper, LLC as Financial Advisor, Effective as of June 27, 2017 [Docket No. 1001] (the “Retention Order”).

9. On August 23, 2017, the Court entered the *Order Setting Procedures for Interim Compensation and Reimbursement of Expenses of Professionals* (as amended, the “Interim Compensation Order”).⁷

10. On August 25, 2017, the U.S. Trustee filed an *Amended Notice of Appointment of Official Committee of Unsecured Creditors* [Docket No. 1171], which expanded the role of the Committee to be the official committee for the HTA Title III Case, the ERS Title III Case, and the PREPA Title III Case. ZC’s retention extends to the representation of the Committee as the official committee for the HTA Title III Case, the ERS Title III Case, and the PREPA Title III Case.

11. The Retention Order authorized ZC to be compensated on an hourly basis and reimbursed for actual and necessary out-of-pocket expenses pursuant to sections 316 and 317 of PROMESA, the Bankruptcy Rules, the Local Rules, and such orders as the Court may direct. The Retention Order further provides that “[p]ursuant to Bankruptcy Code section 503(b)(1), made applicable by PROMESA section 301(a), the fees and expenses of Zolfo Cooper under this Order shall be an administrative expense.” In addition, as provided in the Retention Order, the Oversight Board has consented to the Debtors’ payment of ZC’s fees and expenses sought to be paid hereunder.

12. ZC has agreed to reduce its fees by an amount equal to 20% of the total overall fees in connection with ZC’s final fee application, with the precise fees to be waived to attain

⁷ The Interim Compensation Order was most recently amended on April 12, 2022 [Docket No. 20546].

the 20% reduction to be designated by ZC (in its sole discretion) in connection with the final fee application process. For that reason, ZC is only seeking payment of 80% of its unpaid fees (to the extent such amount has not been paid before the hearing scheduled on this Application), but allowance of 100% of its fees.

13. On October 6, 2017, the Court entered the *Order Pursuant to PROMESA Sections 316 and 317 and Bankruptcy Code Section 105(a) Appointing a Fee Examiner and Related Relief* (the “Fee Examiner Order”) [Docket No. 1416]. The Court appointed Brady Williamson as the Fee Examiner in the Title III Cases.

14. This is ZC’s sixteenth interim fee application, covering the period from June 1, 2022 through September 30, 2022. All services for which compensation is requested were performed for or on behalf of the Committee.

III. JURISDICTION AND VENUE

15. This Court has jurisdiction over this matter pursuant to section 306(a) of PROMESA. Venue is proper in this Court pursuant to section 307(a) of PROMESA.

IV. BILLING PRACTICES

16. ZC hereby seeks compensation in accordance with its customary practices and in accordance with the applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, Local Rules, Interim Compensation Order, and U.S. Trustee Guidelines.

17. ZC charges for its professional services based on actual hours expended to perform its services at standard hourly rates established for each employee, which hourly rates are subject to adjustment semi-annually. It is the customary practice of the Firm to bill clients for travel time consistent with the guidelines of the jurisdiction. Therefore, ZC has applied a 50% discount rate to non-working travel time billed. ZC records time entries in six-minute increments. ZC’s fees reflect economies resulting from the use of paraprofessional and support personnel to develop schedules and analyses, input computer data, perform research, work on fee

applications, and other activities necessary to the efficient administration of this case. ZC does not include support services in the Firm's overhead for the purpose of establishing billing rates. Billing rates are generally representative of prevailing market rates, as awarded by other courts in similar circumstances, based on the customary compensation charged by comparably skilled practitioners in bankruptcy and non-bankruptcy engagements.

18. ZC charges for reasonably incurred, out-of-pocket expenses, including, but not limited to, costs of reproduction at the lesser of \$0.10 per page or cost and other direct expenses. Except in certain instances which may be listed in the expense detail attached hereto, all expenses are billed at actual cost, exclusive of amortization of the cost of any investment, equipment or capital outlay.

19. ZC maintains contemporaneous records of the time expended and out-of-pocket expenses incurred in support of its billings for services.

V. COMPENSATION AND REIMBURSEMENT REQUEST

20. By this application ZC seeks interim allowance of compensation for professional services rendered to the Committee during the Application Period in the aggregate amount of \$170,417.00⁸ and expense reimbursements in the aggregate amount of \$0.00. These amounts are allocated among the Commonwealth Title III Case, the HTA Title III Case, the ERS Title III Case, and the PREPA Title III Case as follows:

⁸ For the avoidance of doubt, while ZC has agreed to reduce its fees by an amount equal to 20% of the total fees sought to be paid in connection with ZC's final fee application, the precise fees to be waived to attain the 20% reduction to be designated by ZC (in its sole discretion) in connection with the final fee application process.

| Application Period | Fees | Expenses | Total |
|-----------------------------|---------------------|---------------|---------------------|
| Commonwealth Title III Case | \$47,189.00 | \$0.00 | \$47,189.00 |
| PREPA Title III Case | 94,405.50 | 0.00 | 94,405.50 |
| HTA Title III Case | 28,822.50 | 0.00 | 28,822.50 |
| ERS Title III Case | 0.00 | 0.00 | 0.00 |
| Total | \$170,417.00 | \$0.00 | \$170,417.00 |

21. The Committee has approved the amounts requested by ZC for services performed and expenses incurred in each of the monthly fee statements for the periods of (i) June 1, 2022 through June 30, 2022, (ii) July 1, 2022 through July 31, 2022, (iii) August 1, 2022 through August 31, 2022, and (iv) September 1, 2022 through September 30, 2022 (“Monthly Fee Statements”) submitted to, among others, the Oversight Board, AAFAF, the Fee Examiner and the U.S. Trustee during the Application Period.

22. As of the date of filing this Application and in accordance with the Interim Compensation Order, ZC has received payments totaling \$136,333.60, for services rendered during the Application Period, which consists of \$33,955.20 (representing 80% of the \$42,444.00 in total fees incurred for the month of June 2022), \$36,439.20 (representing 80% of the \$45,549.00 in total fees incurred for the month of July 2022), \$28,462.00 (representing 80% of the \$35,577.50 in total fees incurred for the month of August 2022) and \$37,477.20 (representing 80% of the \$46,846.50 in total fees incurred for the month of September 2022). In total, ZC has submitted Monthly Fee Statements, during the Application Period, for professional fees in the amount of \$136,333.60 (representing 80% of the \$170,417.00 in professional fees incurred by ZC during the Application Period). Accordingly, as of the date of this Application, no amounts remain unpaid.

VI. SUMMARY OF PROFESSIONAL SERVICES RENDERED

23. Pursuant to the Local Rules and U.S. Trustee Guidelines, ZC classified all services performed for which compensation is sought into separate categories. ZC placed the services performed in the matter category that best relates to the services provided. Although certain services may relate to one or more matter category, services are only included in one matter category. The following paragraphs highlight key services rendered by ZC during the Application Period in certain matter categories where ZC has expended a considerable number of hours on behalf of the Committee, and are not meant to be a detailed description of all of the work performed by ZC.

1 Meetings and Communications with Committee Members and/or Professionals **Hours** **9.0**

ZC spent time preparing for and participating in conference calls with the Creditors' Committee to provide updates with regard to the status of the cases. These calls and meetings included discussions pertaining to, among other things, the Plan of Adjustment, certified fiscal plans, the Debtors' liquidity position and general case strategy. In preparation for these calls and meetings, ZC created analyses and presentations that were provided to the members of the Committee.

3 Liquidity and Cash Management **Hours** **9.2**

ZC professionals spent a portion of the Application Period reviewing the weekly liquidity reports and analyzing the Debtors' cash position relative to its projections.

4 Fiscal Plan and Related Budgets Analysis and Assessment **Hours** **1.6**

Zolfo Cooper analyzed and reviewed the amended fiscal year 2022 budget and the certified fiscal year 2023 budget.

10 Plan of Adjustment Review and Negotiations **Hours** **5.8**

ZC spent time during the Application Period analyzing and reviewing the First Circuit's opinion regarding the discharge of constitutional takings claims in

connection with the confirmation of the Debtors' plan of adjustment and the Debtors' motion requesting an extension of the deadline to object to proofs of claim.

14 Testimony / Court Appearance **Hours** 2.4

During the Application Period, ZC participated in various omnibus hearings.

17 PREPA Title III **Hours** 99.9

During the Application Period, ZC devoted significant time and effort with respect to PREPA related matters. ZC reviewed and analyzed materials relating to the PREPA Title III Case, including publicly available financial information, court filings and proposed legislation. ZC professionals also spent time analyzing and reviewing PREPA's June 28, 2022 certified fiscal plan, the fiscal year 2023 certified budget, 13-week liquidity budget to actual report, PREPA's retirement system, Oversight Board settlement proposals to various creditor groups and general unsecured claims. ZC also spent time preparing for and participating in conference calls with the Creditors' Committee and advisors to the Oversight Board and the Commonwealth. Additional time was spent monitoring the status of FEMA-funded projects as well as PREPA's transformation.

18 HTA Title III **Hours** 30.5

During the Application Period, ZC analyzed and reviewed materials relating to the HTA Title III Case, including the HTA plan of adjustment and disclosure statement, the best interest test report, general unsecured claims and publicly available financial information and filings on the electronic court docket. ZC professionals also participated in calls with advisors to the Oversight Board.

19 ERS Title III **Hours** 0.0

During the Application Period, ZC professionals did not perform any work related to the ERS Title III Case.

24. ZC believes that the fees and expenses requested are reasonable, and all amounts requested are for actual and necessary services rendered on behalf of the Committee.

25. ZC has agreed to reduce its fees by an amount equal to 20% of the total overall fees in connection with ZC's final fee application, with the precise fees to be waived to attain the 20% reduction to be designated by ZC (in its sole discretion) in connection with the final fee application process. For that reason, ZC is only seeking payment of 80% of its unpaid fees (to

the extent such amount has not been paid before the hearing scheduled on this Application), but allowance of 100% of its fees.

26. ZC has not entered into any agreement, express or implied, with any other party for the purpose of fixing or sharing fees or other compensation to be paid for professional services rendered in these cases. No promises have been received by ZC or any member thereof as to compensation in connection with these cases other than in accordance with the provisions of the Bankruptcy Code.

VII. ALLOWANCE OF COMPENSATION

27. Section 316 provides for the compensation of professionals. Specifically, section 316 provides that a court may award a professional employed by a committee under section 1103 of the Bankruptcy Code “reasonable compensation for actual, necessary services rendered . . . and reimbursement for actual, necessary expenses.” PROMESA § 316(a). Section 316 of PROMESA also sets forth the criteria for the award of such compensation and reimbursement:

- (a) In determining the amount of reasonable compensation to be awarded to a professional person, the court shall consider the nature, the extent, and the value of such services, taking into account all relevant factors, including:
 - (i) the time spent on such services;
 - (ii) the rates charged for such services;
 - (iii) whether the services were necessary to the administration of, or beneficial at the time at which the service was rendered toward the completion of, a case under this chapter;
 - (iv) whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed;
